## Program Notes

“The Voyage of the Dawn Treader” was inspired by the classic children’s fantasy novel of the same name by C.S. Lewis and published in 1952 as the third novel in the “Chronicles of Narnia” series written in the early to mid 1950’s. The story features a fantastic voyage by King Caspian X as he searches a number of islands on a quest to find the seven lost lords of Narnia. The journey fraught with many dangers and challenges.
